A charming luncheon took place at the Hilton Beirut Habtoor Grand in Sin al-Fil, welcoming 45 elderly people from BASS-MA's Smile Restaurant. The NGO, working on empowering destitute families, has been partnering with Hilton Hotels since 2004 to bring smiles to the elderly faces while providing them with weekly delicious, hot lunches. The guests were warmly welcomed to an event by the hotel's team members and department heads who arranged a beautiful lunch setup in their all-day dining outlet, Al Diyafa.
