

BASSMA families day

On the occasion of International Families Day, and in collaboration with the United Nations Information Center in Beirut, represented by Marguerite El Helou, director of the center, BASSMA launched its fourth campaign of "International Family Month" during a dialogue session under the high patronage of the Social Affairs Minister Richard Kouyoumjian. The conference was held at the Grand Cinemas Achrafieh, regarding the issues facing Lebanese families during this crisis period. The topics of unemployment, housing, rents, education and public schools were discussed extensively with experts in each of the fields, with the launch of ideas and initiatives in favor of families in need.
